

Steps to Clean the Bathroom

1. squirt the toilet bowl cleaner around the edge of the inside of the toilet bowl
2. remove everything off the counter
3. spray glass cleaner on the mirror and wipe clean
4. spray all-purpose cleaner in the sink and wipe clean
5. spray on and around the faucet and on the rest of the counter
6. wipe all of that clean (if the edge around the faucet is caked on use an old toothbrush to scrub)
7. place everything back in place on the counter
8. use the all-purpose cleaner and spray all around the toilet and on the toilet (especially the edge of the potty that touches the tile)
9. wipe the cleaner up
10. be sure to wipe the top of the tank
11. remove the toys and bottles from bathtub
12. spray the tub with all-purpose cleaner and wipe clean
13. put the toys and bottles back in the tub
14. put cleaning supplies back under the cabinet
15. take all dirty towels and rags to the laundry room
16. place new towels out
17. wash hands
